(c) 2005-2011 MySQL. All rights reserved.

MySQL End User License Terms:

1. Licensee's rights to use the MySQL Software ("Licensed Software") in connection with the JASPERSOFT Software is limited to Licensee's internal business purposes and is subject to the same restrictions on use as the JASPERSOFT Software.
2. Licensee may make copies of the Licensed Software only for backup and archival purposes.
3. Licensee may not: (a) copy the Licensed Software onto any public or distributed network; (b) use the Licensed Software as a general SQL server, as a stand alone application or with applications other than the JASPERSOFT Software under this

license; (c) changing any proprietary rights notices which appear in the Licensed Software; or (d) modifying the Licensed Software.

4. All third party licensors and suppliers of MySQL retain all right, title and interest in third party software and all copies thereof, including all copyright and other intellectual property rights.
5. Licensee may transfer the license to the Licensed Software only if (a) Licensee complies with any transfer terms imposed by JASPERSOFT and delivers all copies of the Licensed Software to the transferee along with the JASPERSOFT License Agreement, (b) transferee accepts the terms and conditions of the JASPERSOFT License Agreement as a condition to any transfer, and (c) Licensee's license to use the JASPERSOFT Software and the Licensed Software terminates upon transfer.
6. Licensee shall comply with all applicable export laws and regulations.
7. Licensee shall immediately destroy all copies of the Licensed Software upon termination of the JASPERSOFT License Agreement.
